Mr Joe Miles
Elks Home
Richmond Va.

Dear Mr Miles:

It is now one oclock Wednesday afternoon and I have not received your wire as yet. I am sure you told me on the telephone last night that you had sent me one. It is possible you did not have this address on it. Be sure and check and see if you have this address.

Now The Newark Eagles, and The Homestead Grays will come to Richmond to play the night of May 10th. You will receive direct confirmation from Posey in Pittsburg, and he will also send you the placards and publicity. Drop me a card when it arrives so I will know everything has been taken care of.

What prices did we charge in Richmond last year? We have raised the price most everyplace as we are operating under such handicaps this year. When The ODT told us we could not use our buses they really hit us a body blow. However we are going to carry on if the fans want us to, but they will have to help pay the additional cost.

Please write me right back, and send me the richmond schedule if possible.

Very Truly Yours
